

INTRIGUE

DANCE INTENSIVE

2020-2021 SEASON SAFETY PROTOCOLS

**All Safety Protocols are subject to change pending any new developments regarding Covid-19.*

ATTENDANCE

We are asking all attendees who show any symptom of Covid-19, or who have been around anyone with Covid-19 within the two weeks leading up to the event, to not attend the event.

MASKS

Face masks will be required for all attendees, including parents. Masks are mandatory during classes and competition. In select cities, if approved by the venue, dancers will be permitted to remove masks when competing solos only. Our faculty and staff will also be wearing masks. Bring extra in case you lose yours!

NO OBSERVERS

In order to limit the occupancy of each ballroom, we will not allow observers during classes. This will help to give dancers the optimal amount of space to continue practicing social distancing. We will allow teachers and studio owners to be in the rooms. We will have designated Intrigue Team Members monitoring the classrooms to help out should any dancer need anything. This policy will be strictly enforced.

SOCIAL DISTANCING

We will have 6' blocks taped off in all dance spaces. Try your best to practice social distancing. Please avoid hugs, high fives, etc.

WELCOME SHOW AND SHOWCASE

As always, our Welcome Show and Showcase will be live-streamed. We will be limiting the audience to Studio Owners and Teachers. The theatre chairs will be set to follow the guidelines of social distancing.

COMPETITION

In cities with large enough ballroom spaces, we will be allowing a predetermined number of audience members to watch the competition. These spots will be given out to studios based on the number of dancers they have competing and how many available theatre seats we have. Please note, this number is based on adjudicated competition entries, not improv or other creative elements. As always, our competition and awards will be livestreamed as well.

DRESSING ROOMS

Dressing room spaces will be maximized to the fullest extent of each venue. We ask that no more than 1 parent assists each child in the dressing rooms.

TOUCHLESS AWARDS

All awards and scholarships will be awarded without physical contact. Award ceremonies will be live-streamed, and studios will receive all physical awards at the end of the event.

CASHLESS PAYMENT

We will be going cashless. We will only accept cards and contactless forms of payment such as ApplePay.

BACKSTAGE

We are asking that only 1 Teacher or Studio Owner is backstage per entry. This will help to carry out social distancing practices.

WATER STATIONS

We will NOT have water stations in the rooms. Please bring plenty of water.

TEMPERATURE CHECKS

We will be performing daily temperature checks on all Intrigue Faculty, Staff and Crew. Intrigue reserves the right to perform temperature checks on any and all attendees including but not limited to dancers, teachers, studios, parents, and family members.

HOTEL PRECAUTIONS

Hotels and venues have increased their sanitation services to provide us with the safest environment possible. Intrigue is constantly working with venues to create this safe environment.

HYGIENE SUGGESTIONS

We encourage all attendees to practice frequent and proper hand washing as well as carrying their own hand sanitizers and disinfectants as they see fit.

Thank you in advance for your cooperation!
