The CDC advises that older adults and immunocompromised individuals of any age might be at a higher risk for severe illness from COVID-19. Attendees should evaluate their own risk level in determining whether to attend. Individuals can be asymptomatic and still spread COVID-19 if they are infected, and any interaction with the general public raises the risk of contraction. We cannot guarantee that you will not be infected during your visit.

This wavier will be valid for the 2021 - 2022 season at the event listed above ONLY. Participants will need a new waiver for every event.
